

REMARKS

The Response to Non-Final Office Action filed by Applicant on April 26, 2004 in response to the Office Action mailed from the Patent Office on November 17, 2003, incorrectly listed all the claims and the status of those claims. Applicant now provides the full listing of the claims, indicating which claims have been cancelled and which claims were amended in the April 26, 2004 Response. Therefore the Response to the Non-Final Office Action filed by Applicant on April 26, 2004 should now be considered. Allowance of the claims set forth above is respectfully solicited.

Should the Examiner have questions regarding this response, he/she is invited to contact the undersigned attorney.

Respectfully submitted,

Dated: June 14, 2004
